Latest result

Shows results for the last 90 days only. Check the date of the test. If you were tested more recently, that result is not yet available.

Tested on:

26-Oct-2020 (Reported: 27-Oct-2020)
Trillium Health Centre – Mississauga

 **Negative (COVID-19 RNA test)**

- Your results were negative for the COVID-19 virus
- If you were self-isolating for 14 days prior to being tested, continue to do this for the remainder of the 14-day period
- If not, continue to self-monitor for the remainder of the 14-day period. If your symptoms worsen, take the self-assessment
- After that, follow the guidelines for physical distancing
- **Healthcare or essential workers**
– talk to your Occupational Health team for return to work policies.
