**When picking up your order, please follow the below steps:**

- 1. When you arrive, call the store.
  - a. Let them know you're here and provide your vehicle information (colour and make).
  - b. Let them know if you would like your item(s) placed in your backseat or trunk.
  - c. If you have purchased a large item, please ensure your vehicle is ready. Our advisor will place the item next to your vehicle for you.
- 2. Have your photo ID and confirmation email ready to present through your closed window.
- 3. An advisor will place your item(s) in either your backseat or trunk. Please leave space in one of these areas.

Please remain in your vehicle at all times and we will do all the work!
