

Test result

Not all laboratories report results through this website

Jasbir • • • • • • • • | Health no.: • • • - • • 5-668

• For serology (antibody) results, please contact your doctor or health care provider

∆ Latest result

Shows results for the last 90 days only. Check the date of the test. If you were tested more recently, that result is not yet available.

Tested on: 21-Jul-2021 (Reported: 22-Jul-2021)
The Credit Valley Hospital

▼ Negative (COVID-19 RNA test)

- Your results were negative for the COVID-19 virus
- If you were self-isolating for 14 days prior to being tested, continue to do this for the remainder of the 14-day period
- If not, continue to self-monitor for the remainder of the 14-day period. If your symptoms worsen, take the self-assessment
- After that, follow the guidelines for physical distancing
- Healthcare or essential workers
 - talk to your Occupational Health team for return to work policies.
