If the result is negative (loss) do not report the amount on line 127 of your return (the loss will show on your latest notice of assessment or reassessment). This helps you keep track of your net capital losses, which you may be able to use to reduce your taxable capital gains of other years.

If you incurred a net capital loss in 2018 and you would like to apply it against taxable capital gains you reported on your 2015, 2016, or 2017 return, get and complete Form T1A, Request for Loss Carryback.

You can carry forward your net capital losses indefinitely and apply them against your taxable capital gains in the future.

Principal residence

Complete this section if you disposed of a property (or properties) in 2018 that you are claiming a principal residence exemption for. In all cases, you have to get and **complete** Form T2091(IND), Designation of a property as a principal residence by an individual, **or** Form T1255, Designation of a Property as a Principal Residence by the Legal Representative of a Deceased Individual, whichever applies. Even if you do not sell your property, you may have a **deemed disposition** that you must report. A deemed disposition occurs when you are considered to have disposed of property, even though you did not actually sell it. For example, a deemed disposition will occur when you change how you use your principal residence, such as:

- you change all or part of your principal residence to a rental or business operation
- you change all or part of your rental or business operation to a principal residence

If you were **not** a resident of Canada for the entire time you owned the designated property, your period of non-residence may reduce the amount of the principal residence exemption or eliminate it. For more information, call the CRA at **1-800-959-8281**.

T1-2018

Canada Pension Plan Contributions and Overpayment for 2018

Protected B when completed Schedule 8

Complete this schedule and **attach** it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2018 if you were **a resident of a province or territory other than Quebec** on December 31, 2018, **and** have **no earned income from the province of Quebec**.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead complete Form RC381, *Inter-provincial calculation for CPP and QPP contributions and overpayments for 2018.*

- Part 1 Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.
- Part 2 Complete this part to determine the number of months for the CPP calculation.
- Part 3 Complete this part if you are reporting employment income.
- Part 4 Complete this part if you are reporting only self-employment income or other earnings you are electing to pay CPP contributions on.
- Part 5 Complete this part if you are reporting employment income and self-employment income or other earnings you are electing to pay CPP contributions on. You must first complete Part 3.

For more information, see line 222 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election-

If in 2018 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have **employment income** for 2018 and elected in 2018 to stop paying CPP contributions or revoked in 2018 an election made in a prior year, you should have already completed Form CPT30, *Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election*, and sent it to us and your employer(s).

If you had **only self-employment** income for 2018 and elect in 2018 to stop paying CPP contributions on your self-employment earnings, enter the month in 2018 for which you choose to start this election in **box 372** below. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 372 because June is the sixth month of the year. If in 2018 you are revoking an election made in a prior year on contributions on self-employment earnings, enter the month in 2018 for which you choose to revoke this election in **box 374** below. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year for your election to remain valid.

If you had both employment income and self-employment income in 2018 and wanted to elect to stop paying CPP contributions in 2018, or to revoke in 2018 an election made in a prior year, you should have completed Form CPT30 in 2018. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2018 but your intent was to elect in 2018 to stop paying CPP contributions or revoke an election made in a prior year on your self-employment income before you became employed, enter the month you want to stop contributing in **box 372** below, or if you want to revoke in 2018 an election made in a prior year, enter the month you want to resume contributing in **box 374** below. If you did not complete and submit Form CPT30 for 2018 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2018 on this schedule. To be valid, an election or revocation that begins in 2018 must be filed on or before June 15, 2020.

I elect to **stop** contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.

I want to **revoke** an election made in a prior year to stop contributing to the Canada Pension Plan on my

self-employment earnings and resume contributing on the first day of the month that I entered in box 374.

Part 2 – Determine the number of months for the CPP calculation-

Enter 12 in box A unless one or more of the situations below apply.

- If you turned 18 years of age in 2018, enter the number of months in the year after the month you turned 18.
- If for all of 2018 you were receiving a CPP or QPP disability pension, enter "0". If you started or stopped receiving a CPP or QPP disability pension in 2018, enter the number of months during which you were not receiving a disability pension.
- If you were 65 to 70 years of age in 2018, you were receiving a CPP or QPP retirement pension, and you elected to stop paying CPP contributions in 2018, enter the number of months in the year up to and including the month you made the election. If you had self-employment income in 2018 and have an entry in box 372, enter the number of months in the year prior to the month you entered in box 372.
- If you were 65 to 70 years of age in 2018, you were receiving a CPP or QPP retirement pension, you elected to stop paying CPP
 contributions in a prior year, and you have not revoked that election, enter "0".
- If you were 65 to 70 years of age in 2018, you were receiving a CPP or QPP retirement pension, you elected to stop paying CPP contributions in a prior year, and you revoked that election in 2018, enter the number of months in the year after the month you revoked the election. If you had self-employment income in 2018 and have an entry in box 374, enter the number of months in the year after and including the month you entered in box 374.
- If you turned 70 years of age in 2018 and you did not elect to stop paying CPP contributions, enter the number of months in the year up to and including the month you turned 70 years of age.
- If for all of 2018 you were 70 years of age or older, enter "0".
- If the individual died in 2018, enter the number of months in the year up to and including the month the individual died.

Enter the number of months during which the CPP applies in 2018.

T1-2018

Climate Action Incentive

Schedule 14

The climate action incentive (CAI) is a refundable credit which consists of a basic amount and a supplement for residents of small and rural communities.

You cannot claim this credit if any of the following applies to you:

- you were a non-resident of Canada at any time in 2018
- you were confined to a prison or a similar institution for a period of at least 90 days during 2018
- you were exempt from income tax in Canada at any time in 2018 because you were an officer or servant of the government of another
 country, such as a diplomat, a family member who resided with such a person, or an employee of such a person
- you were a person in respect of whom a children's special allowance (CSA) was payable at any time in 2018

Note: If you are completing a return for a person who died before April 1, 2019, you **cannot** claim the CAI for that person for the 2018 tax year.

Complete this schedule and **attach** it to your return to claim the CAI if, on **December 31, 2018**, you were a **resident of Ontario** and you met **any** of the following conditions:

- you were 18 years of age or older
- you had a spouse or a common-law partner
- you were a parent who lived with your child

Note: If you were married or living in a common-law relationship but your spouse or common-law partner was not an **eligible spouse or common-law partner** for the purpose of the CAI or you did not have a **qualified dependant**, complete this schedule using the instructions as if you did not have an eligible spouse or common-law partner or a qualified dependant.

Eligible spouse or common-law partner

For the purpose of the CAI, an eligible spouse or common-law partner is a person who meets all of the following conditions:

- was your spouse or common-law partner on December 31, 2018
- was a resident of Canada throughout 2018
- was not confined to a prison or a similar institution for a period of at least 90 days during 2018
- was not exempt from income tax in Canada at any time in 2018 because they were an officer or servant of the government of another
 country, such as a diplomat, or a family member who resided with such a person, or an employee of such a person
- was not a person in respect of whom a CSA was payable at any time in 2018
- did not die before April 1, 2019

Notes: Either you or your spouse or common-law partner may claim the CAI for the family, but not both of you.

Where two individuals in the family reside in different locations, the province of residence for the individual making the claim will be used when calculating the CAI for the family.

Qualified dependant

For the purpose of the CAI, a qualified dependant is a person who meets all of the following conditions:

- was your or your spouse's or common-law partner's child or a person dependent on either one of you for support on December 31, 2018
- resided with you on December 31, 2018
- was under 18 years of age on December 31, 2018
- was a resident of Canada throughout 2018
- was not married or living common-law on December 31, 2018
- was not a parent who lived with their child on December 31, 2018
- was not confined to a prison or a similar institution for a period of at least 90 days during 2018
- was not exempt from income tax in Canada at any time in 2018 because they were an officer or servant of the government of another
 country, such as a diplomat, a family member who resided with such a person, or an employee of such a person
- was not a person in respect of whom a CSA was payable at any time in 2018
- did not die before April 1, 2019

Single parents of a qualified dependant

For the purpose of the CAI, if, on December 31, 2018, you **did not** have a spouse or a common-law partner but you had a dependant who met **II** of the conditions for a qualified dependant, claim an amount for that dependant on line 6012. If you had more than one qualified dependant, enter the number of remaining qualified dependants on line 6013.

Shared custody

Only one claim can be made for each child. You cannot split the amount for a qualified dependant with another person.

Supplement for residents of small and rural communities

For the purpose of the CAI supplement for residents of small and rural communities, you **must have resided outside** of a census metropolitan area (CMA) on December 31, 2018, as defined by Statistics Canada in the last census they published before 2018.

Therefore, you **cannot** claim the supplement for residents of small and rural communities if your principal place of residence was located in one of the following Ontario CMAs: Barrie, Belleville, Brantford, Greater Sudbury, Guelph, Hamilton, Kingston, Kitchener-Cambridge-Waterloo, London, Oshawa, the Ontario part of Ottawa-Gatineau, Peterborough, St. Catharines-Niagara, Thunder Bay, Toronto, or Windsor.

For more information to determine if you resided outside a CMA, visit canada.ca/census-metropolitan-areas.

Statement of Real Estate Rentals

Protected B

when completed

Use this form if you own and rent real estate or other property. It relates mainly to renting real estate but also covers some other types of rental property such as farmland. This form will help you determine your gross rental income, the expenses you can deduct, and your net rental income or loss for the year.

To determine whether your rental income is from property or a business, consider the number and types of services you provide for your tenants:

- If you rent space and only provide basic services such as heating, lighting, parking, laundry facilities, you are earning an income from renting property.
- If you provide additional services such as cleaning, security, and meals, you may be conducting a business.

For more information about how to determine if your rental income comes from property or a business, see Interpretation Bulletin IT-434R, Rental of Real Property by Individual, and its Special Release.

If you are a co-owner of a property, you have to determine if a partnership exists before filling in the Identification part below. To determine if you are in a partnership, see Income Tax Folio S4-F16-C1, What is a Partnership?

For information on how to fill out this form, see Guide T4036, Rental Income.

In most cases you calculate your rental income using the accrual method. If you have no amounts receivable and no expenses outstanding at the end of the year, you can use the cash method.

Part 1 - Investment expenses claimed on your 2018 return

CALCULATION OF CUMULATIVE NET INVESTMENT LOSS (CNIL)TO DECEMBER 31, 2018

Protected B when completed

- Use this form if you had any investment income or investment expenses for 2018.
- Your CNIL reduces the amount of your cumulative gains limit for the year and may affect the allowable amount of your capital gains deduction.
- Even if you are not claiming a capital gains deduction in 2018, you should still complete this form if you had any investment income or expenses in 2018.
- Because the balance in your CNIL account is a cumulative total, you may need this information in a future year. Keep a copy for your records and attach another to your return.
 - For more information, call 1-800-959-8281.

Note

If you have capital gains other than from the disposition of qualified farm or fishing property or qualified small business corporation shares in 2018, you should start by completing Chart A on the next page of this form to determine if you have additional investment income to include when you calculate your CNIL.

Designation of a Property as a Principal Residence by an Individual (Other than a Personal Trust)

Protected B
when completed
Tax year 2018

Use this form to designate a property as a principal residence. You must also complete the "Principal residence designation" section of Schedule 3 for the year you are in one of the following situations:

- you disposed of, or were considered to have disposed of, your principal residence, or any part of it
- you granted someone an option to buy your principal residence, or any part of it

Note

If you were not a resident of Canada for the entire time you owned the designated property, call 1-800-959-8281.

Your period of non-residence may reduce or eliminate the availability of the principal residence exemption.

For more information about designating a principal residence and what qualifies as a principal residence, see Income Tax Folio S1-F3-C2, Principal Residence, or the "Principal residence" chapter in Guide T4037, Capital Gains.

You can only designate one property as your principal residence for any specific year. However, where you sell a principal residence and buy another (or move to another property that you own) in the same year, the "plus one" rule in calculating the principal residence exemption amount will allow you to claim the principal residence exemption for both properties for that year even though you can only designate one property as your principal residence.

For dispositions that occurred after October 2, 2016, if you were a non-resident throughout the taxation year in which the property was purchased or acquired, the "plus 1" rule does **not** apply.

If you ticked box 1 at line 179 of Schedule 3, you only need to complete the first page of this form. You do not need to report any gain amount on Schedule 3 for this property.

If you are filing electronically, keep this form in case we ask to see it later. If you are filing a paper return, you **must** complete, **sign**, and attach this form to your return.

Definitions

For the purpose of this form, the acquisition date is the date on which you acquired or last reacquired the property, or December 31, 1971, whichever is later. However, if you or your spouse or common-lawpartner are not considered to have disposed of and immediately reacquired the property as a result of that election.

The term **spouse** used throughout this form applies to a person to whom you are legally married. For 1993 to 2000, a spouse included a common-lawspouse. For 2001 and future years, the reference to spouse is replaced with **spouse** or **common-lawspartner** as defined in the "Definitions" section in Guide T4037, Capital Gains.

Note

If you made an election to have your same-sex partner considered your common-lawpartner for 1998, 1999, and/or 2000, then, for those years, your common-lawpartner also can not designate a different housing unit as their principal residence.

Information needed to calculate the capital gain

If you ticked either box 2 or 3 at line 179 of Schedule 3, you must complete the remainder of this form that is applicable to your particular situation.

If you disposed of, or were considered to have disposed of, a property for which you or your spouse or common-law partner filed Form T664 or T664(Seniors), Election to Report a Capital Gain on Property Owned at the End of February 22, 1994, use this form to calculate the capital gain for the year if one of the following applies:

- the property was your principal residence for 1994
- you are designating the property in this form as your principal residence for any tax year

You may be entitled to a reduction as a result of the capital gains election. To calculate this reduction, use Form T2091(IND)-WS, Principal Residence Worksheet. To get this form, go to <u>canada.ca/get-cra-forms</u> or call **1-800-959-8281**.

You no longer have to apply for the GST/HST credit. When you file your return, the CRA will determine your eligibility and tell you if you are entitled to receive the credit. If you have a spouse or common-law partner, either of you may receive the credit, but not both of you. The credit will be paid to the person whose return is assessed first.
